In the name of God Amen. I Joseph Novinger of Upper Paxton township in the County of Dauphin and State of Pennsylvania yeoman being of good health of body and of sound and dispensing mind and memory, praised by God for the same. Considering the uncertainty of this frail and transitory life do make this my last will and testament.
In the first place I direct that my body be decently buried according to the right ceremonies of the church and that my funeral be conducted in a manner corresponding with my estate and situation in life.
And as to such worldly estate wherewith it hath pleased God to intrust me with I do order and direct my Executors hereinafter named to dispose of the same as follows.
In the first place. The personal property shall be appraised as soon after my decease as convenient and sold at public sale to the highest bidder save such articles as my beloved wife may choose to take at the appraisement. My real estate shall also be sold at public sale by my Executor (without being appraised) in one two or more tracts so as to bring the highest possible price. And I do hereby authorize and empower my Executor to give deeds of conveyance for the same as full and effectual as I could if I were present myself.
I give and bequeath to my beloved wife Mary three hundred dollars worth that is to say she may take at the appraisement such articles of the personal property as she thinks proper and the balance be paid to her in money by my Executor until

it amounts to three hundred dollars. I also order and direct that my just debts and funeral expenses and the charges of proving this my will shall be paid as soon after my decease as possible out of the first money that shall come into the hands of my Executors then if there be any money left from the personal estate after the debts are paid my wife Mary shall have the one third thereof. After the debts are all paid the one third remaining shall be a lien on the land as dower, the interest thereof to be annually to my beloved wife Mary during her natural life and after her decease the principle shall be paid to all my children hereinafter named share and share alike.

After all my property is disposed of it is my will and I order and direct that the proceeds thereof shall be divided among my children in the following manner viz., First I give and bequeath to my five children of my first wife, Annie, namely John D., Samuel, Mary, Catharine and Elizabeth the sum of seven hundred and seventy two dollars and fourteen cents ($772.14) that is one hundred and fifty four dollars and forty two and four fifths cent each. This is in lieu for what my first wife Annie had inherited from her father for which I had given a note to Frederick Eisenhower and that note is then to be void.

Second. I then give and bequeath a like sum of seven hundred and seventy two dollars and fourteen cents to my other ten children which I have with my second wife Mary, namely, James H., Leah Jane, Jacob, Sarah, Susan, Emma Jane, George, Lucretia, Aaron and Ida Rebecca. Then after the foregoing bequest it is my will and I order that the balance or reside of my estate shall be divided among all my children share and share alike but if any of my children should die without issue or in their minority their share shall be divided among his or their brothers and sisters respectively. Lastly I hereby constitute and appoint my beloved son James H. Novinger to be the Executor of this my last will and testament in whitness whereof I the said testator have to this my last will and testament set my hand and seal this 16th day of February A.D. 1881.
Signed sealed published Joseph Novinger
and declared by the sais
Joseph Novinger as and for his last
will and testament in the presence
of us who in his presence and at his
request and in the presence of each other
have subscribed our names as witnesses thereto.
John H Jury
Andrew Woland.

James H. Novinger qualified as Executor of the above will 5 May 1881.

Elizabeth wife of James Novinger born March 1 1786 died February 1 1858 aged 71 years.

There is apparently an error as to date of birth of Mary Novinger (wife of Dewalt) as given on her tombstone. She may have been a second wife but the church records of St. David's church in the obituary notice of the death of Dewalt Novinger speak of her as his only wife.

THE GENEALOGY

of the

ADAMS FAMILY,

from the first of the name that came to America about the year sixteen hundred and thirty,

Illustrated
by

Rev. Charles S. Adams

Hillsdale, Mich.
1869.

PREFACE.

This genealogy extends to the tenth generation. In the first five the male descendants only are given, together with their places of residence, so far as known. These generations are distinguished by the different colored lines enclosing them. The first, Henry Adams, is enclosed in the lithographic lines, the (2) in a circle of black & red, the (3) in green, the (4) in violete & the (5) in brown lines, & these are connected by red lines from father to son. The other five are numbered.

My aim has been to make a perfect record, & it is so, with a very few exceptions.

The original design of prefixing the photographs of the parents to each family record, I am sorry to say, has not been carried out, only because they could not be obtained. But such as it is, with its imperfections, and perhaps some mistakes,

To

DEA. SAMUEL ADAMS

of MILTON, MASS.

It is most respectfully dedicated

by his affectionate brother,

Chas. S. Adams.

HENRY ADAMS, came from the County of Devonshire, England, embarked at Bristol for America, and came to the town of Braintree, near Boston, about the year 1630, with eight sons, four of whom settled in the town of Medfield, Mass., viz. Edward, Jonathan, Peter, & Henry. Joseph remained at Braintree and Samuel & one other - whose name is not known-, from the best information, went to Chelmsford, but whose descendents could not be ascertained, & one returned to England, about whom nothing is known.

N. B. For the above information, & the Genealogy for five generations, I am indebted to the late Elijah Adams Esq. of Medfield who made the collection in 1798 from a number of recent records & papers, and from the best information that could be obtained from people of great age and intelligence.
